October 29th, 1919.

To the Secretary,
Society of Colonial Wars,
45 Cedar Street,
New York, N. Y.

Dear Sir:-

We have recently learned that the Society of Colonial Wars is about to issue a medal to be given to those members who participated in the great war. This Museum in conjunction with its large collection of decorations and insignia is making an especial effort to get specimens of all medals relating to this war. Would it be possible for us to obtain a specimen of this medal ?

Very truly yours,

Curator.

SOCIETY OF COLONIAL WARS
IN THE STATE OF NEW YORK
OFFICE OF THE SECRETARY
43 CEDAR STREET
NEW YORK

November 8, 1919.

My dear SIR:

May I inform you that your letter of October 29 has been brought before the Council of this Society, and has been referred to the Governor General of the General Society of Colonial Wars. It is the General, or national, Society which is presenting the war medals, although the actual distribution is to be made by the State Society.

I believe it will be possible to secure a sample of the medal for you. Certainly I shall personally do all I can to arrange this, as I am aware of the importance of your present collection of decorations and insignia.

Yours very sincerely,

L. Effingham de Forest

Deputy Secretary.
